Safer Apart Order

The Governor has repealed the mask requirement and has issued a new Safer Apart Order which can be found at <https://governor.alabama.gov/newsroom/2021/04/governor-ivey-issues-new-safer-apart-order/>. Masks will now be governed by local ordinances and/or the preference of your business or your place of business where you are employed. I encourage everyone to continue your sanitization procedures you have been following and providing the safe environment for you, your employees and most of all, your clients.

You are to be commended for your constant attention to these safety measurements during this pandemic since have yet to be notified of any major Covid-19 exposure in massage therapy businesses.

Please know we are always here to assist and feel free to contact us for questions, assistance or complaints when the need arises. Thank you for your attention and compliance during these difficult times we have all experienced and that continue to be part of our daily lives.

Keith Warren
Executive Director
